5. COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is reported to be extremely contagious. The state of medical knowledge is evolving, but the virus is believed to spread from person-to-person contact and/or by contact with contaminated surfaces and objects, and even possibly in the air. People reportedly can be infected and show no symptoms and therefore spread the disease unknowingly. The exact methods of spread and contraction are unknown, and there is no known cure for COVID-19. Evidence has shown that COVID-19 can cause serious and potentially life-threatening illness and even death. The Greene-O'Leary School of Irish Dance cannot prevent you [or your child(ren)] from becoming exposed to, contracting, or spreading COVID-19 while attending the Maureen Lynch Greene Memorial Feis. It is not possible to the presence of the disease or its spread. Therefore, if you choose to attend the Maureen Lynch Greene Memorial Feis you may be exposing yourself to and/or increasing your risk of contracting or spreading COVID-19.
